SOLANO COUNTY— The California Department of Transportation (Caltrans) has scheduled an overnight closure of the Real McCoy Ferry on State Route (SR-84) to perform hydraulic diagnostic testing of the boat's engines.

The closure is scheduled starting Thursday, January 4 at 10:00 PM and will be completed by Friday, January 5 at 4:00 AM.

During the overnight closure of the Real McCoy Ferry, motorists traveling overnight between Ryer Island and Solano and Sacramento Counties are advised to use either the J-Mack Ferry on State Route 220 (SR-220) or the Miner Slough Bridge on SR-84 as a detour.
